

# THE MANUFACTURING ACADEMY AT LOS ANGELES VALLEY COLLEGE (LAVC)

- Conventional and CNC lathe and mill operations
- Blueprint reading and inspection procedures
- Shop safety and shop/technical math
- Personal development skills
- Guest speakers from industry and tours

**Referrals for job interviews** will be provided upon successful Academy completion in advanced manufacturing and/or aerospace – growth industries with strong career pathways potential for livable wage jobs

**The next Manufacturing Academy begins on September 10, 2018**

**Attend ONE of these orientations on the following Wednesdays at 10 AM:  
8/1, 8/8, 8/15, 8/22, & 8/29  
LAVC Engineering Bldg., Room 110**

**PROPEL LA will provide FREE Tuition to participants who meet the following eligibility requirements:**

- Underemployed workers who can arrange their schedules to participate (i.e. those who are working at or near minimum wage)
- Disconnected youth
- Ex-offenders
- 8<sup>th</sup> grade level reading and math

**Must be available for six weeks, Monday through Friday, 7am to 3pm for training**

**For more info and to RSVP, call Roberto Gutierrez (818) 947-2941, [gutierrf@lavc.edu](mailto:gutierrf@lavc.edu)**

*This Propel LA Short-Term Job Training program is generously funded by a grant from the Citi Foundation. The LAVC Manufacturing Academy is funded by the City of Los Angeles Workforce Investment Board (WIB) via the WorkSource Centers of Southern California and the U. S. Department of Labor's Tech-Hire Program. If you need accommodation due to a disability to participate in this event, please contact our office at least 7 days in advance.*
